

Who are we?

TasIVF is the largest provider of assisted reproductive services in Tasmania and has a reputation built on clinical and operational excellence. Located in the heart of Hobart, our new purpose-built facility is equipped with a state-of-the-art fertility clinic, embryology laboratory and day hospital, and is designed to support our clinicians and their patients at every stage of the IVF journey. Utilising the latest in technology, including artificial intelligence in our laboratory, we are the market leader in assisted fertility.

A household name in Tasmania, we are home to a tight-knit, highly experienced and committed support team of nurses, scientists and operational staff. We are searching for an experienced **Fertility Specialist** to join the TasIVF clinical team in Hobart.

A member of Virtus Health

TasIVF is a member of Virtus Health, the largest provider of assisted reproductive services in Australia. We are also a market leader in Ireland, Denmark and have a growing presence in Singapore and the UK. Globally, we run 43 fertility clinics. We also operate 7 day hospitals and the Virtus diagnostics service in Australia.

Essential Qualifications

- At least 5 years' experience providing reproductive services
- Holding a Certificate in Reproductive Endocrinology and Infertility (CREI) qualification, or a worldwide equivalent, is highly desirable

Who are you?

A rewarding career opportunity awaits you. As a lead Fertility Specialist at TasIVF, you will be focused on delivering best-in-class assisted reproductive services to our patients. An opportunity to also provide obstetric services does exist for the right clinician.

You will be personable with a natural ability to engage and work closely with a dedicated team of nurses, scientists and administrators, ensuring our patients receive the highest standard of care at every point in their assisted fertility treatment.

Why choose Tasmania?

- Be a part of a welcoming community
- Hobart is a thriving city, with a strong local economy, affordable property market and great schools
- Short commute times support your work-life balance. Our existing specialists get to work in 10 minutes!
- Hobart is a picturesque part of the world with everything the great outdoors has to offer, from sailing on the Derwent River to hiking up Mount Wellington.
- A short flight to the mainland of Australia, Hobart is a fantastic place to call home

Our culture

We are a team with a clear purpose: we work together to continuously improve the care and services we provide. We see a future where everyone in the community has the opportunity to create a family. Patient care, scientific and clinical leadership and a passion for making a difference to people's lives is always at the forefront of our minds. Collaboration, agility and the curiosity to investigate new ideas is how we will continue to grow as a market leader.

International Applicants

Fertility Specialists who currently reside outside of Australia are encouraged to apply. A relocation package can be discussed.

How to apply

Please send your CV and covering letter to Managing Director, Jade Phelan: jade.phelan@mivf.com.au
