Who are we?

Alexandria Specialist Day Hospital (ASDH) is a leading provider of operating theatre services, delivering the highest possible standard of surgical expertise. ASDH is a dynamic four-theatre day hospital with a large number of leading surgeons in specialties of gynaecology, plastic/cosmetic, endoscopy, colorectal, paediatric dental and fertility procedures.

Our network of day hospitals in NSW, offers opportunity to work across other locations including North Shore and Westmead.

Who are you?

You have a patient-first mindset with an empathic and compassionate approach. You have exceptional clinical decision making skills, and you are a strong communicator. With a natural ability to multi-task, you manage your time and priorities with precision. You are a team player and you want to make a difference to people's lives.

Imagine if we get together...

This is an exciting opportunity for the right person. The **Scrub Scout or Anaesthetic all-rounder** is a highly motivated individual and is an integral member of our talented surgical team. This is a casual or permanent part time with no weekend or on call work.

Desired capabilities

- Strong multi-tasking capabilities
- Demonstrated ability to consistently deliver high quality patient care through showing compassion and empathy for a diverse range of patients
- Effective organisational and time management skills with an ability for prioritisation
- A strong focus on customer service
- A willingness to work collaboratively within a small team

Essential requirements:

- Current APHRA registration as a registered nurse or enrolled nurse
- Experience in a similar role in any of the following specialties: gynaecology, plastic/cosmetic, paediatric dental, endoscopy and fertility procedures.
- Knowledgeable in the fundamentals of The National Safety and Quality Health Service Standards (NSQHS) and The Standards for Perioperative Nursing in Australia (ACORN)
- A professional, friendly, patient and courteous manner
- Strong verbal communication skills
- Exceptional attention to detail

Our culture

We are a team with a clear purpose: we work together to continuously improve the care and services we provide. We are committed to the continued training and education of our staff, and actively encourage career development. Collaboration, agility and the curiosity to investigate new ideas is how we will continue to grow as a market leader.
