

Fertility Nurse

Fertility Nurse- Full Time

Are you a compassionate and dedicated Registered Nurse looking for a change that also promotes a healthy work life balance? If so, Fertility Nursing may be for you!

- Work with the number one provider of fertility services in Tasmania
- Join a well-established Australian company with local and international growth
- Work within a culture that leads and embraces change

About TasIVF

TasIVF is part of Virtus Health Ltd, a growing company that provides fertility care, diagnostic pathology and day hospital services in Australia and in international clinics. We are dedicated to giving our patients the best possible outcomes through our innovative services, cutting-edge treatments and active research programs.

Your New Role

This role provides support to individuals dealing with fertility issues and other members of the clinic team. Our Fertility Nurses are the main point of contact for patients and work closely with the TasIVF Fertility Specialists. We support, educate, counsel and guide our patients through their fertility treatment with both face to face and phone consultations. Fertility Nursing is a unique and evolving field of practice and therefore a 5-week comprehensive orientation program is provided to all new staff. The speciality offers many opportunities for ongoing professional development.

The position will be based at our clinic in Hobart. The clinic is located within walking distance of the main Hobart CBD, including shopping and café areas. The successful applicant can expect to shifts between 0700 and 1730 Monday to Friday. The clinic nurses are not routinely required to work weekends.

What you will need

- Comprehensive clinical background
- Current AHPRA registration
- High level of empathy
- Excellent written and oral communication skills
- Ability to work independently in a fast paced environment

- Ultrasound scanning skills and previous IVF experience desirable

What we offer

We offer a culture that leads and embraces change, values and respects new ideas and encourages personal growth. The successful incumbent will have the opportunity to develop their skills in an interesting and rewarding role.

If you would like to join a market leader in the area of fertility and work with a team of professionals that foster a strong work ethos to deliver an outstanding level of patient care then apply now. Only successful applicants will be contacted.
