

Alexandria Specialist Day Hospital Seeks CNS / Educator- Perioperative Nursing

Clinical Nurse Specialist/Educator

- Be part of the clinical team caring for patients in a state-of-the-art day hospital
- Work-life balance – no on call and no weekend work
- Excellent remuneration and flexible rostering

Who are we?

Alexandria Specialist Day Hospital (ASDH) is a leading provider of operating theatre services, delivering the highest possible standard of surgical expertise. Featuring a dynamic four-theatre day hospital with a large number of leading surgeons in the specialties of gynaecology, plastic/cosmetic, endoscopy, colorectal, paediatric dental and fertility procedures. Our network of day hospitals in NSW, includes Alexandria, North Shore Specialist and City West Specialist

About the Role

We are currently seeking an experienced Perioperative Nurse, with a specialist background and preferably with educator experience, to join our friendly team as Clinical Nurse Specialist. In addition to the clinical and educational components of the role, you will be assisting the Clinical Nurse Unit Manager with rostering, floor co-ordination and stock ordering.

You will need to have advanced patient care skills with a strong focus on delivering outstanding customer service. The successful applicant will be working across our specialties. We are looking for someone with good communication skills and a proven ability to work effectively as part of a multi-disciplinary team. The role is permanent part-time 60 hours per fortnight, Monday to Friday. There is no weekend or on call work. The successful applicant will be paid according to his/her experience and will be given Professional development opportunities and flexible rostering.

Desired capabilities

- Current APHRA registration as a registered nurse
- Experience as Specialist Perioperative Nurse (scrub/scout/endoscopy/anaesthetics & recovery)
- Experience as an Educator (Cert .4 in workplace training would be desirable)
- Proven ability to work effectively as a member of a multidisciplinary team
- Highly developed interpersonal, communication and negotiation skills

Closing date for applications is Friday 19th February 2021.

To apply, please forward your expression of interest and resume to:
